

The Loretto Campus

A welcoming and enriching environment

Set in 85 acres (34 ha) of safe, leafy grounds on East Lothian's beautiful coast, Loretto School offers a warm environment where all our pupils can thrive.

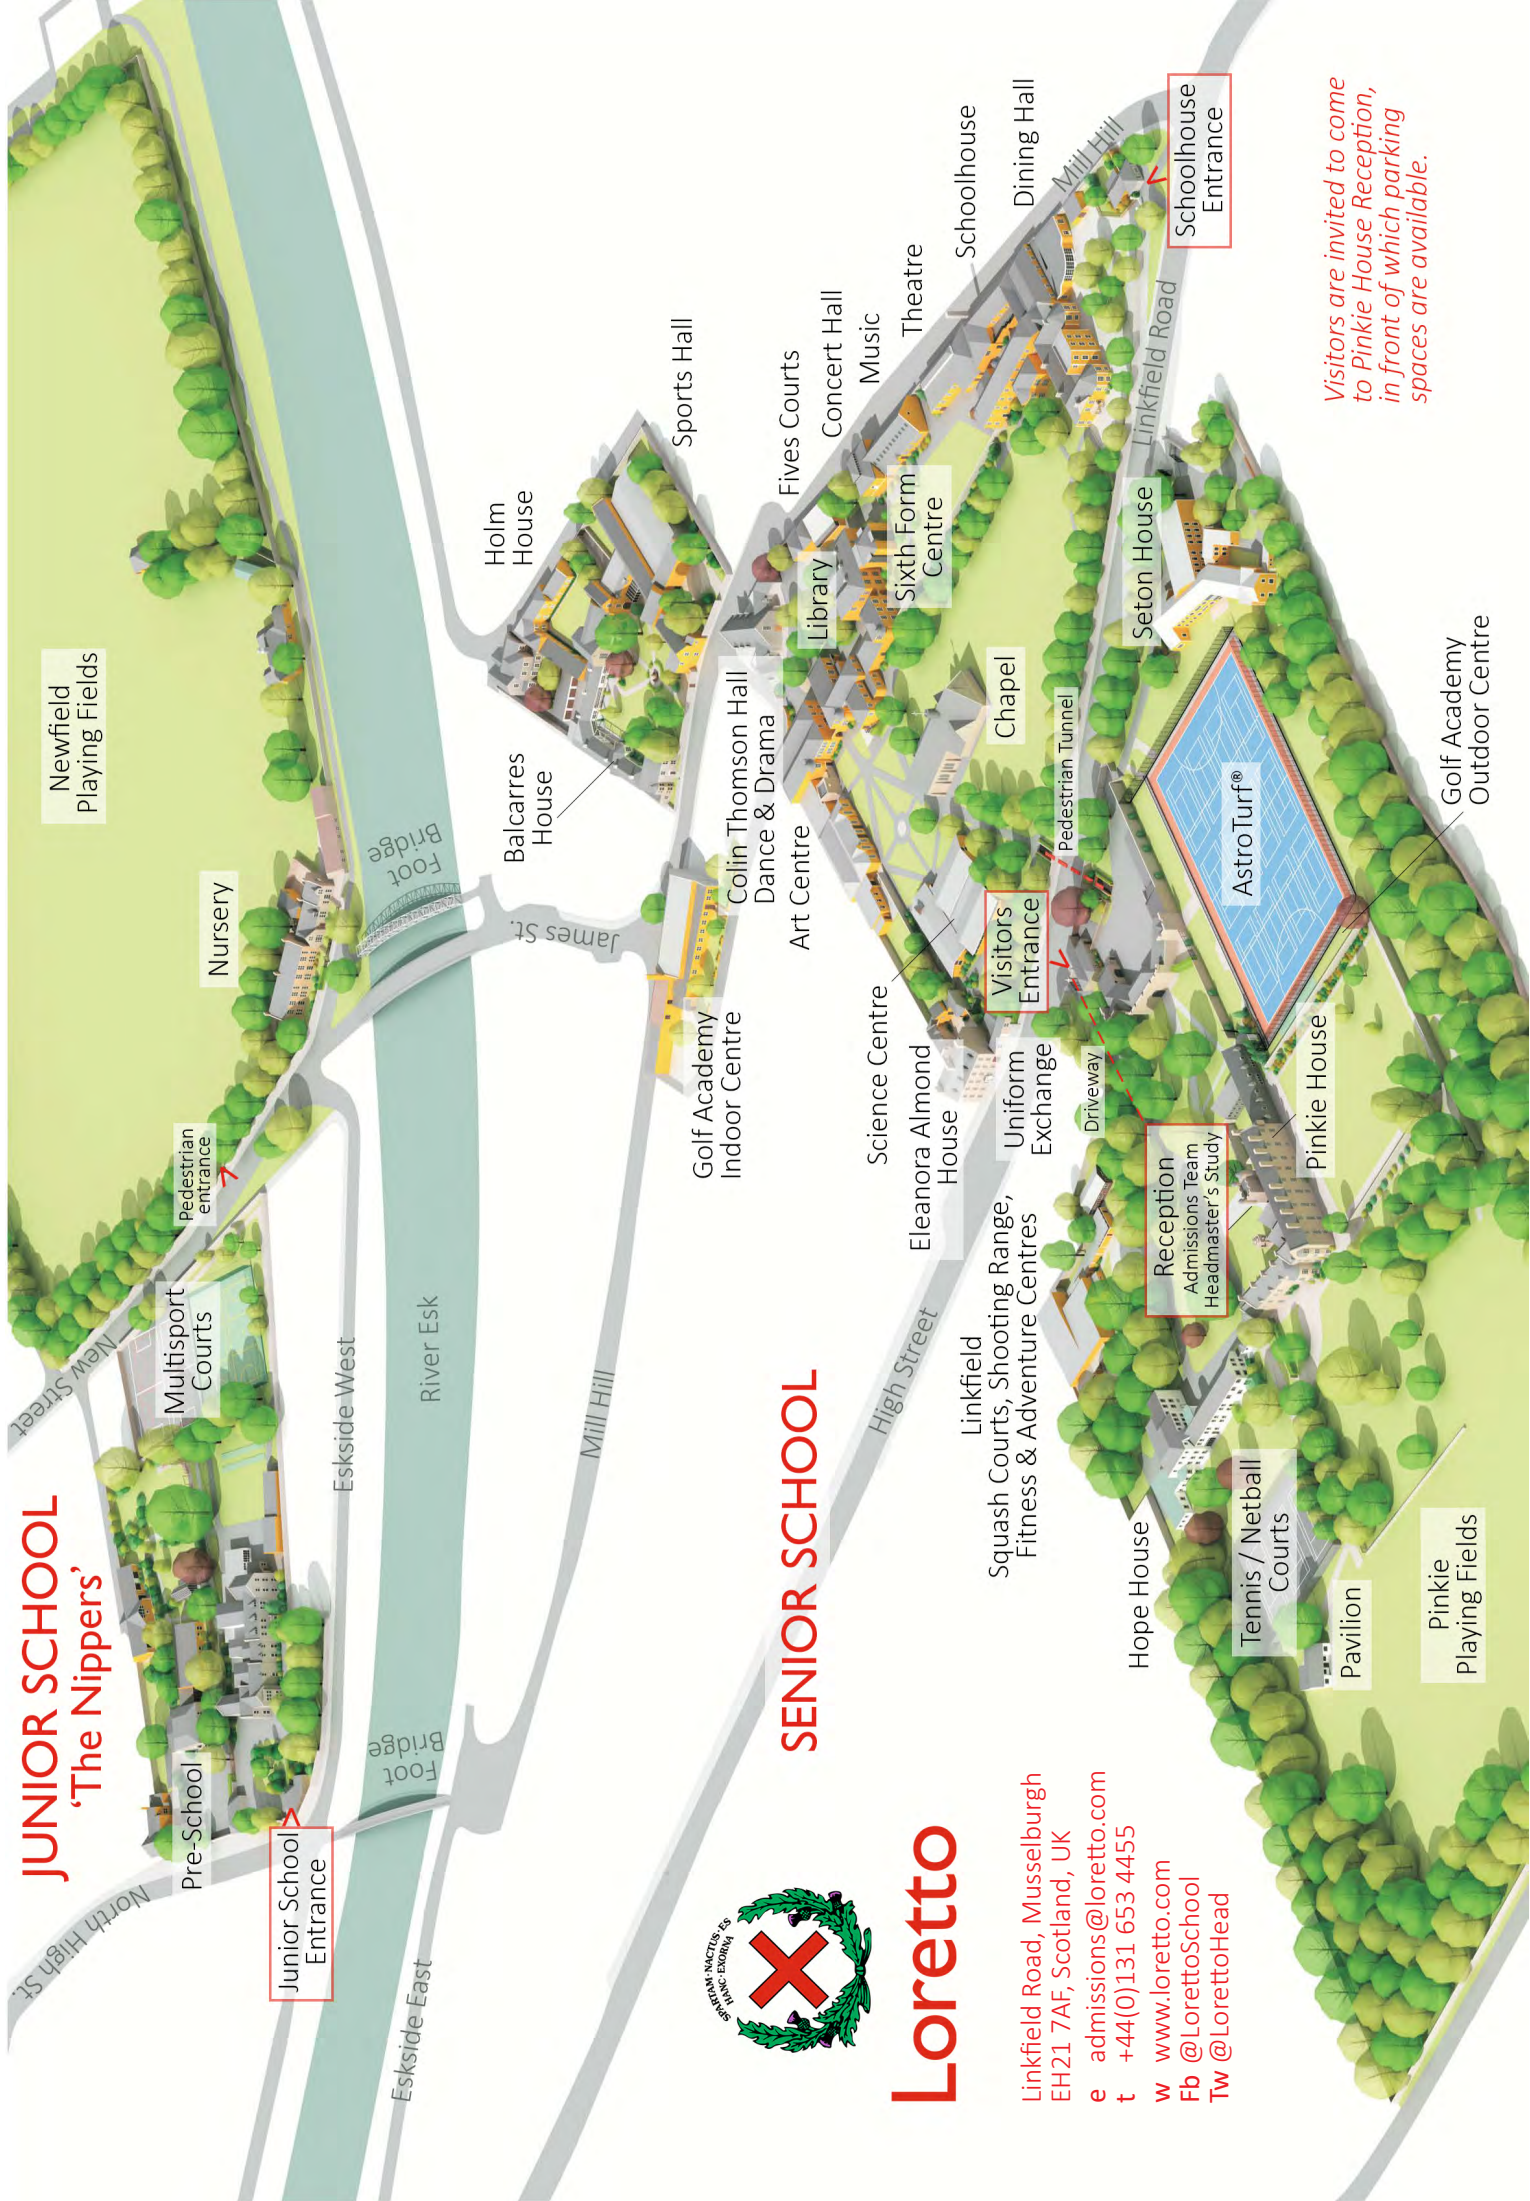

Our enclosed campus enjoys comprehensive facilities dedicated to:

- **Sport**, with extensive games pitches, an AstroTurf®, Tennis and Fives courts, a sports hall, as well as Indoor and Outdoor Golf Centres.
- **Creative Arts**, with an Art Centre, a Music School, a Theatre, and a Dance & Drama Studio.
- **Academic work**, with, in addition to bright classrooms, dedicated teaching areas for Science, Languages and Computing, as well as a newly refurbished Sixth Form Centre.

Our campus is globally connected, being located just 6 miles (9 km) from Scotland's capital city, and its international airport. We're also about 20 minutes' drive from Edinburgh's main train station (Waverley), and just a few minutes off the A1.
